APPLICATION FOR MEMBERSHIP

Thank you for your interest in Young Sikh Association (Singapore) or YSA for short. YSA was established in August 2003 to fulfill the aspirations of young Sikhs. YSA reaches out to young Sikhs with the aim of understanding and appreciating their aspirations, and integrating these aspirations into the Sikh community and Singapore society by enhancing mutual understanding on issues of common concern and fostering friendships across ethnic groups in Singapore, the region and the world.

The Association's activities also involve joint projects that benefit the Sikh community and Singapore at large, all in the efforts to create world-ready young Singaporeans.

OBJECTIVES

- To deepen understanding of national issues among young Sikhs and to encourage them to contribute to the betterment of our society as thoughtful and responsible citizens.
- To provide varying platforms for young Sikhs to strive for intellectual and professional development.
- To strengthen inter-racial friendship and harmony by organising and actively participating in inter-community activities.
- To foster community spirit among young Sikhs through community service projects at home and abroad.
- To build networks with local and international youth groups so as to foster national identity and a global mindset among young Sikhs.
